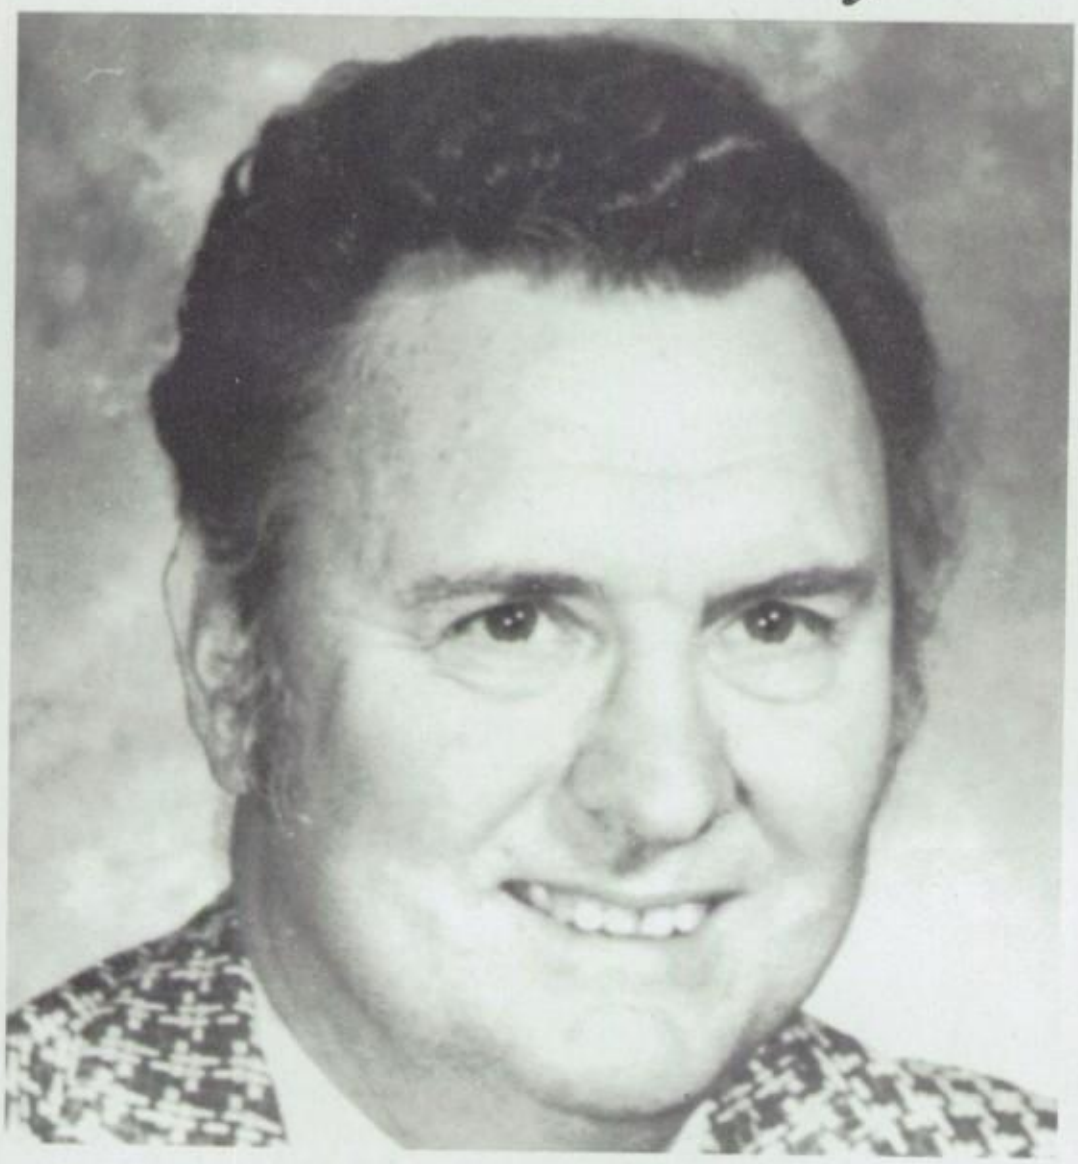
# E.V. Says Farewell



*George "Al" Latimer, East Valley's principal for 12 years is retiring after this year.*

*Mr. Latimer, who is now President of the Frontier League, President of the Spokane chapter of Reserve Officers Association, and Vice-President of District Seven, graduated from Oaksdale High School in 1942, and received two degrees from Eastern Washington University and his Master's from Whitworth College.*

*Principal Latimer's retirement will be in effect as of June 12, 1981. He will be missed by many . . . but his contributions to the East Valley area will never be forgotten.*

*(Counselor)*

*To Mr. Jim Wagner who has been an exceptional teacher at East Valley for many years: the students, faculty, and staff would like to wish you a happy retirement. You have done a great job of informing many seniors of American Government. In addition to being a terrific teacher, you have also served the school in other ways, such as coaching our teams. We would like to thank you and wish you well!*

*SADIE HAWKINS*

*FALL — 1980*

*This year's Sadie Hawkins was highlighted by many original and colorful costumes. The dance, which was sponsored by the sophomore class, was held on December 5, 1980. Its theme was "Deep In The Night." The music was provided by KJRB. All who attended had a great time.*

*The East Valley Knights finished a very successful season with a 7-2 record, losing narrowly to Sandpoint and a tough Clarkston squad. The Knight team entered the state playoffs for the second year in a row, going against the No. 1 ranked Wildcats of Eastmont. At the end of the game the scoreboard read 14-14 which lead to a disappointing end for the Knights losing by two in overtime. As one Spokane paper phrased it, "If the Eastmont Wildcats are ranked No. 1, then the East Valley Knights certainly should be ranked No. 2."*

# 1980 CROSS COUNTRY TEAM

*The 1980 East Valley Cross Country season was the most successful year East Valley has had in over five years. It exemplified the true meaning of the sport as a team sport since in none of our races did we finish first individually, but yet never were we defeated in team scoring. Along with a successful team, the members were young, which promises even more success in the future if the dedication shown by this group of boys and girls continues as positively as this year.*

*Kevin Dodge, the team captain, finished with 19 wins and 1 loss but failed to get to state. This was especially frustrating because he pinned the 2nd place winner and defeated the 3rd place winner in state last year, lost a judge's decision in overtime to not get into the championships this year. And he would have faced a wrestler he had defeated the week before 10-4. He had to settle for 3rd once again.*

*On the other hand, juniors Thomas Richardson and Larry Mott captured subregional championships along with first year senior Keith Mack. Dan Spalding, also a first year wrestler, surprised many by taking fourth in the state tournament.*

*Yes, the 1981 Knight wrestling team was a combination of pleasant surprises and disheartening losses. The team compiled a fine 14 win, 3 loss, and 1 tie season, yet they lost the one match to Cheney that kept them from the league championship. They had five champions in the subregionals but sent only 2 wrestlers to state. Then those two wrestlers did finish 3rd and 4th in state.*

*It was a year of ups and downs. Hopefully the nine returning lettermen will remember both so they will accept a greater mental and physical challenge in the upcoming year of competition.*

Standing: Coach McCarty, Richard Goggin, Kevin Powell, Mike Zellmar, Chris Lonam, Dave Bolton, Kenton Strehlou, Rick Bennett, Don Morgan, James Aguilar, Len Pederson, Dennis Glidden, Clark Combs, Coach Dolphin.*

*The 1981 track season was not a successful one as far as team competition goes. However, there were a number of bright spots that make the 1982 team look exciting. Junior distance runners Duke Batchelor and Don Hatfield turned in outstanding efforts. Kasey Swan tied the school record in the high jump at 6'4". Tracy Johnson was outstanding in the pole vault at 12'9" and Dan Owens did a fine job in the throwing events. Our sophomores did an excellent job with Ernie Aguilar in the distances and Russ Rexroat being outstanding. — Coach Howard Dolphin.*

*The 1981 track season was the year that our sophomores did the job for us throughout the season. The upperclassmen did their job as usual but the younger competitors exemplified the hard work and dedication needed in this sport to succeed by improving every week thereby establishing themselves as the nucleus of fine teams to come.*

*This year was also different from past years in that it was the year of the distance men rather than the weightmen that got the headlines.*

*Overall the season was a little disappointing with key injuries hurting our chances at placing higher in the standings, but the positive side was the hard work and dedication shown by all those who can proudly state that they were a part of the 1981 East Valley track team. — Coach Dave McCarty.*

*Girls track had their most successful season since beginning the sport in 1976. They were 8-4 in dual meets, 5th in the Mooberry Relays, 2nd in the Central Valley Invitational and 7th in the State Meet. Cora Aguilar set a State Record of 145'7" in the discus, and was 2nd in the shot put. Debra Leslie placed 4th at state in the discus. There is an excellent group of sophomores and juniors returning for the 1982 season. — Coach Glenn Gunderson.*

*The girls track program at East Valley has benefited by both the track coaches, that of Howard Dolphin, the boys track coach, and Glenn Gunderson, the girls track coach. It has been through this well conditioned program that they achieved success. The girls team came a long way and there was vast improvement by all the girls involved and especially our State AA Champion, Cora Aguilar. Glenn Gunderson has himself built an excellent girls program and with the success and improvement of the junior high programs, the Girls Track team at East Valley should have excellent teams, now and in the future. — Coach Mike Thacker.*
